## Summary

A project by opendesk.cc

Household > Office

Originally available at https://www.opendesk.cc/lean/breakout-table but the download link hasn't worked for many years.

Unfortunately opendesk.cc has stopped making these available for download. This is a collection of all the opendesk.cc files I could find online. Opendesk did license them under the creative commons, so my re-hosting them here is allowed. I am not affiliated with opendesk.cc
